

PARAMEDIC PROGRAM

Summer 2023

Medical Career Academy's paramedic program provides information and skill training to initiate and maintain treatment for medical, trauma, and cardiac emergencies. The Paramedic is the highest level of emergency responder training. This 12-month program will assist in helping entry level paramedics gain the knowledge needed to be successful in the emergency medical field.

Institutionally accredited by
Middle States Association
Commission on Secondary
Schools (FL025).

"The Medical Career Academy Paramedic program holds a Letter of Review, which is NOT a CAAHEP accreditation status, but is a status granted by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation standards through the Letter of Review Self Study Report (LSSR) and other documentation. However, it is NOT a guarantee of eventual accreditation."
